THOMSON AND FALCON ARE CHANGING TO TUI.

We've got some exciting news. Later this year, the UK and Ireland's leading travel brands, **Thomson** and **Falcon**, will be changing to **TUI**, the new name in holidays. It's the world's biggest travel group and shares our famous red 'smile' logo. You'll see it while you're on holiday with us.

We've been taking people on holiday for over 50 years. As **TUI**, we'll be able to offer you even more choice, including handpicked hotels, flexible flight options, city breaks, tours and multi-centre holidays.
